^ PRESIDENT'S MESSAGE

Hello! This is Ana, NPD Vice President, taking over the President's message this issue. As we approach the end of the year, I wanted to take the opportunity to thank the New Pen Del Board of Directors, including our President, Chris L., and Committee Chairs for their dedication to our club. Your commitment to the Newfoundland breed and to the goals and objectives of our club is greatly appreciated. I also want to thank our members for your help at events, donations, and participation. It's been wonderful to finally spend time with you this year.

New Pen Del had a busy 2022 and an especially busy fall. We started with the Water Test in September, followed by the amazing Triple Crown Show weekend, and enjoyed another fun Fall Fest in October, which included the general membership meeting and the presentation of awards for our members. Congratulations to all who qualified at the Water Test, the CGC and Tricks testing at Fall Fest and the qualifiers at the Triple Crown Regional Specialty. Our Awards Chairs, Donna and Karin prepared beautiful Awards for so many of our members this year.

PRESIDENT’S MESSAGE (CONT.)

I am so happy to see how many of you are back out trialing your dogs and further developing the bond that is formed when you and your dog work as a team. We are so proud of all our members’ achievements.

In 2023, we’d like to offer more opportunities for social events. I’d like to encourage members to reach out to me or anyone on the Board if you have ideas for fun ways for us to spend time together. Therefore, to kick off the new year, we’re planning a New Year’s Day walk with the dogs. This will be an easy going-at your pace stroll. We’ll get you those details soon. I hope you’ll join us.

New-Pen-Del wishes you and yours a happy and healthy holiday season.

Best Regards,

Ana Peraza Kroeger

WATER TEST

SEPT. 17-18

JUDGES: SUE MENDELSON AND DONNA THIBAUT

By: Karen Doman, Test Chair

New-Pen-Del held its 44th water test at Beltzville State Park in Pennsylvania. The weather was brilliant both Saturday and Sunday with the lake almost pond like on Saturday. The beach was wider than the previous year and the water level was good.

Our judges, Sue Mendelson and Donna Thibault did an outstanding job. They demonstrated that good tests are a result of good judging. Their calm demeanor reflected their experience and expertise as they guided entrants, both veteran and novice, through each exercise. Their genuine joy in each dog's success, whether they passed or not, was evident.

At the last minute both the Chair and Secretary were unable to attend the test. Fortunately, a former Chair (Susan Lonergan) and Secretary (Andrea Ottey) were able to ensure that the test ran smoothly both days.

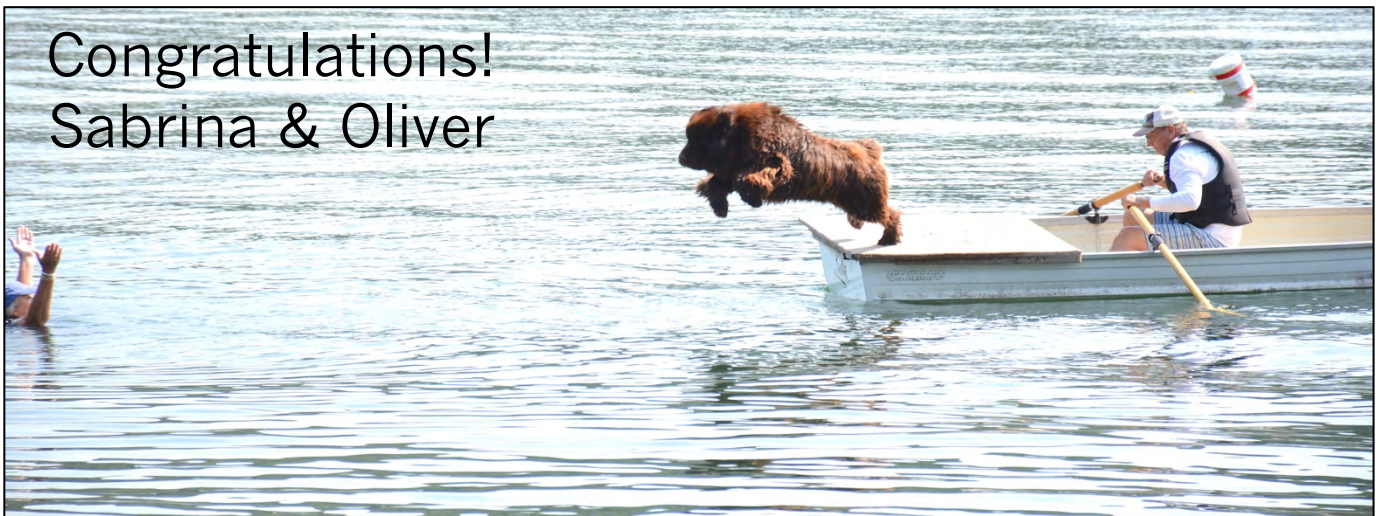

New-Pen-Del has a tradition that exhibitors also steward which certainly benefits those who go on to more advanced titles. There were of course the core group who worked for three days setting up the site and serving in various roles on the two days of the test.

The Bernie Latronico Super Steward Award for steward of the day went to John Lynn on Saturday and Zach Rosario on Sunday. Bernie's spirit lives on in these great stewards.

On Saturday Jake and John Affel earned their WD title turning in an excellent performance. Scott Dickensheets and Cosmo requalified earning a WRD2. Sabrina Sweeney and Oliver narrowly missed qualifying on Saturday missing only one exercise but put it all together Sunday earning their WRD1.

No test happens without dedicated volunteers. This year was no exception and they rose to the challenge of accepting additional roles. There would not have been a test without their efforts.

Congratulations!

Holiday Cautions for Dogs

It's beginning to look a lot like Christmas! And Hanukkah! This season, your home is sure to be filled with fun and holiday cheer. It's important to consider your pet's safety when decorating and preparing holiday meals. Here is a list of Christmas cautions to keep in mind when living with cats and dogs.

DECORATIONS

Many pets find holiday decorations very appealing. However, this can lead to various types of injuries.

- **Ornaments:** Pets may think these are toys and ingest (eat) them and/ or choke on them. Glass ornaments can cause cuts on paws and to the mouth and digestive tract, if swallowed. They can also get stuck in the GI tract and need surgical removal.
- **Tinsel/Ribbon/Garland/Wrapping Paper:** Pets often find tinsel and ribbon quite intriguing. This is especially true for cats. If ingested, any of these items can get

NEW-PEN-DEL

trapped in the intestines. This requires immediate veterinary attention and can be life threatening if not addressed.

- Potpourri: The festive scent can entice pets to investigate. Make sure containers are covered or not accessible. If ingested, potpourri can cause GI upset (vomiting and diarrhea).
- Christmas Tree Water: Many pets love to drink the water in the tree stand. Be cautious if you use chemicals in the water to preserve the life of your tree as these can be harmful to your pets.

LIGHTS/CANDLES/ELECTRICAL CORDS

The glow of lights and candles add a warm touch to dark, wintry nights. Our furry friends, however, may see things differently.

- Candles or Fireplaces: Any type of flame candle or fire can cause a burn risk to our furry friends.
- Wires/Electrical Cords: Pets may think lights or cords are toys. They may chew them and experience an electrical shock (which can be life-threatening), or create a fire risk.

PRESENTS

Some holiday gifts may contain parts that can be hazardous if swallowed. Be aware of the following:

- Small toys
- Batteries
- Buttons

HOLIDAY PLANTS

Holiday plants may be confused for food by our pets. Side effects include gastrointestinal irritation, vomiting, and diarrhea as well as more life-threatening conditions. Be especially cautious of the following if you choose to display them in your home:

- Lilies (all varieties, including Easter Lily, Amaryllis): these can cause acute renal (kidney) failure in our feline friends. It is very important if your cat eats any type of Lily plant that you seek immediate veterinary care.
- Mistletoe
- Poinsettias

NEW-PEN-DEL

- Holly
- Pine tree needles and sap
- Christmas Cactus

FOOD

There are two groups of food to avoid feeding your pet. One is high-fat foods which can lead to pancreatitis (inflammation of the pancreas) and can affect both dogs and cats. The other group is toxic foods which require an immediate visit to the veterinarian.

HIGH FAT FOODS

- Turkey (dark meat)
- Buttery/Fried Dishes
- Stuffing (if cooked with butter or whole milk)
- Gravy
- Casseroles (depending on the fat content)
- Certain Desserts

TOXIC FOODS

- Uncooked bread dough
- Onions
- Raisins, grapes
- Xylitol (a sugar substitute found in gum and candies)
- Certain spices/oils - (sage)
- Chocolate (dark chocolate is more toxic than milk chocolate)
- Avocado (seed only)

See a complete list of toxic foods and plants and their effects at the poison control section of the [ASPCA's](#) website. Should your pet experience an emergency this holiday season, contact your primary care veterinarian or one of Red Bank Veterinary Hospital's emergency hospitals in Cherry Hill, Tinton Falls, Linwood or Hillsborough by calling (732) 747-3636.

Red Bank Veterinary Hospital wishes you and your family a happy and healthy holiday season!

2022 Tasks and Accomplishments

We started to have events again last October coming off the Covid 19 pandemic. We held two draft tests, one last October and one this past Spring, which were both well attended with lots of new titles.

We also had a draft clinic by Sue Marino, Sue Mendelson and Todd Bennett from New England this past March on a very cold weekend, which was also well attended, and both humans and Newfs learned a lot.

We held our water test in September, which was lightly attended but hope to bring back more interest in water work this coming Spring with the return of Paws N Claws and water training.

Respectfully submitted,
Amy Supko

2022 Tasks and Accomplishments:

We hosted a regional specialty at the Celtic Classic March 19. NPD sponsored Saturday and Colonial hosted Sunday. Although it was smaller than last year the participants were happy to be there. Lunch was very nice. The brown bag was successful and the t-shirts were very well received.

The Triple Crown took place October 21-23 with Colonial and New England with six shows over the three days. The event celebrated both pee wees and juniors and was fun for both participants and spectators. There was a submarine party Saturday night. All six shows had both dog and bitch majors.

The Best Junior was held on Sunday.

The Friday educational program on structure and movement (Mr. Mover) by Devon Nutbeam was very well attended. It is available for viewing on the Triple Crown Facebook page.

Betty McDonnell made a surprise appearance and judged the Best of the Best.

2023 Anticipated Tasks

We have plans to host a Regional Specialty in March 2023 at the Celtic Classic. We will again be joined by other clubs in sponsoring this event.

Wow...as the country opened up from the Covid days of lockdown, so did New Pen Del...

Our first face to face event this year was the Triple Crown held in conjunction with Colonial and Southeastern Newf Clubs...3 days of 6 independent specialties culminating with the Best of the Best!!!

We offered Water Training opportunities at 3 different locations for dogs at all levels of training... many thanks to Ana, Amy and Donna for managing the south Jersey site, Amy & Dave Supko handled the Central jersey site and Karen Doman and Robert Gerri the PA site.

Kat Lynn planned and executed an educational day at Winterthur Museum and Gardens in conjunction with their Lewis & Clark event.

Next we held a 3 day Water Test chaired by Karen Doman, which to say the least was a tremendous success...

Several weeks later NPD hosted a regional specialty at the infamous Morris & Essex KC...we had very early judging at 7:30am...we provided super hospitality to the participants...coffee juice, bagels and apple cider donuts...

We provided Live Streaming to the extent we were able...

The class trophies were beautifully crafted by Glitterbomb under the direction of Wendy Keyser and the back of the directors chairs that were given for the Top Awards...were designed and embroidered by Nancy Weaver!

Donna Campbell and Karin Bystol spearheaded the 2020 Awards which are being presented at the annual meeting...

Our Fun Day and Annual Meeting chaired by John Affel and Kat Lynn is back this year and promises to be a great day...

A Draft Test is on the schedule for October chaired by Amy Supko.

We are also scheduled for a Cardiac Clinic -date to be determined -and our traditional Christmas Tree Pulls in December.. stay tuned for more details!

Best Wishes for a healthy and happy holiday season!!!!

All chairs should submit their annual reports to me by October 5. Refer to Ana's email outlining the format and last year's reports.

Agenda Item: Working Dog Secretary's Report

Presenter: Amy Supko

We discussed the viability of the water test this year in light of the low numbers.

Right now we have two entries for Friday (one that had signed up will be pulled as they were not a re-qual)

Lonergans have an X dog and are willing to move to Saturday

Ottey's have a re-qual and are willing to move also

Which leaves us with no dogs for Friday, 8 Saturday and 8 Sunday

checked with Dwight Gorsuch

We can cancel Friday if we do not get 5 dogs-

With the judge's written (email) permission we can move the one X dog to Saturday

We need to wait until after August 31 to submit the request to NCA

Colonial did cancel their Friday test

Water Test Update from Karen Doman

1. All arrangements have been made and paid for at Beltzville
2. Judge's hospitality has been taken care of by Sue Lonergan and their rooms are booked
3. Welcome bags will be made and delivered by Jan Johnston
4. Sue and Cathy are recruiting stewards
5. Robert is arranging for lunches and coffee/donuts for Saturday and Sunday

Estimated Expenses to date. (excluding food)

\$1,222.50

Estimated income from entry fees

c. \$720.

Discussion: Chris is concerned about two tests close together on the same weekend. This has not been a problem in the past.

Amy said if we hit five or lower we cancel, if more we have it

Karin expressed concern about canceling

Discussion revolved around why we don't have more entries

Jodi pointed out that lack of training could be a problem even with the training at Codorus
Karin said there was training and people have to travel- they have to be flexible
It was hard to find training sites this year
Kat pointed out that NPD does not have an obligation to offer training

We will follow NCA guidelines on holding the water test

On line water test sales are not going as well as we would hope but we won't know until next month what the numbers look like

Ana posed the question of opening up the water test to those who want to train run through's- we will investigate that possibility

Chris has been handling it. Nancy Weaver and Kathy in Connecticut have been helpful.

We may want to consider aligning with a national group.

We would keep control over our funds.

Karin asked if we had talked to others about combining efforts.

Chris has not.

She would rather have an in house program if we had the right person but it has become more complicated. Chris would prefer to outsource.

Karin wanted to know if there was a lack of rescue in this area.

Chris says she is the contact person in this area but she does not want to do it.

Chris does not see any real issues with using other organizations as long as the dogs are being protected.

We could change the contact information on our website.

Karin suggested looking at the membership applications to see who checked rescue and speak to them - Karin will not volunteer to talk over the job but would reach out to those who are on the list and who would be willing to act as a referring person to other organizations.

Ana will pull the list and send it to Karin.

We would have to consider financial support to the other rescue groups.

Presenter: Amy Supko

Results of water test- the test was very lightly attended. Friday was cancelled due to lack of entries.

We struggled to get enough stewards. Sue Lonergan and Andi Ottey made the test work both days.

According to Chris there is a lack of entries across the board in all dog events.

We need to pull together a stronger water test committee for next year and hopefully how to recruit and mentor people.

Amy did call Round Valley. Lee Johnson has contacted them for Paws’nClaws. The date has not been determined. First choice would be Saturday in mid May, After that it would be a weekday in June or July. They will welcome us back for water training weekdays next year.

Beltzville Fall water demonstration 2023

Amy heard from the Pa Christmas tree farm December 10, rain date December 11.

Discussion on whether or not it should be a one or two day event. The consensus was one day.

The NJ farm changed hands. New owners will be contacted to see if they are interested.

The quality from Spiderweb is good and sizes are true. Kat will transfer all our items to Spiderweb. Fall Fest items will be ready for the event.

We need more donations and need to investigate new ways of getting things.

On the Fall fest registration form there was a place to volunteer to bring a brown bag.

New Business

Kat would like to propose a small steering committee

-evaluate present Club circumstance including bylaw adherence, membership involvement, volunteerism, event attendance, budgeting, etc.

-Identify areas of deficiency and propose possible solutions with improved outcomes.

We need to reassess where we are. NPD seems to be losing ground compared to other clubs.

We are not compliant with budgeting

Attendance is lower than other

Ways n Means are not sustainable in the present form

There is not a sense of community or stewardship

Even smaller clubs have a higher level of volunteerism

How are we going to go forward? We need to be in compliance with NCA goals.

Kat is willing to chair the committee.

Ana would like to have more social events- for instance walks

They should be spread out geographically to draw more people.

The point was made if you plan the event it puts all the responsibility on one person.

Ana suggested starting with easy activities.

Chris made the point that other clubs are also struggling with volunteerism.

What will the next generation of NPD look like?
